English

WHAT IS CART SERVICES?

CART Services is a project within the Office of Developmental Primary Care. Our focus is on providing information, training, and technical assistance. The Office of Developmental Primary Care is a program of the Department of Family and Community Medicine at the University of California, San Francisco.

WHO DOES CART SERVICES SERVE?

CART Services supports clients of the Far Northern, Golden Gate, and Redwood Coast Regional Centers.

WHAT SERVICES DOES CART PROVIDE?

CART Services include:

- Information and resources
- In-service training and grand rounds for health care professionals
- Trainings for patients, families, and service providers
- Phone and email consultations

QUESTIONS?

For questions about CART Services or if you have a question that we can answer by phone or email, please contact us at: 415-476-4641 or odpc@fcm.ucsf.edu.

If you would like a consult and are served by one of the regional centers listed above, please contact your Service Coordinator.

The CART Services Team is supported by Far Northern, Golden Gate, and Redwood Coast Regional Centers which are overseen by the California Department of Developmental Services.

Contact information for the Department of Developmental Service can be found at:
